551m²

1,000m²

Introducing Villa Claudia, a contemporary masterpiece located in the exclusive Monte Olimpo urbanisation of J vea/X bia. Set on a generous 1,000 square metre plot, this elegant villa offers 551 square metres of total built area, including 254 square metres of refined interior space and 176 square metres of expansive terraces that blend luxury and Mediterranean living. This two-storey residence features four spacious bedrooms and four modern bathrooms, including a stunning master suite with a private terrace and three additional full suites. The open-concept living area is filled with natural light, with large windows that frame panoramic views of the Mediterranean Sea and the Montg  mountain. The living space flows effortlessly...(Ask for More Details!)
