N/A

The villa is located in Costa d'en Blanes above the noble port of Puerto Portals and offers an excellent view over the entire bay of Palma. The orientation of the property invites you to enjoy the Mallorcan sun all day while looking directly at the port of Puerto Portals and Palmanova. The property currently has 3 bedrooms and a constructed area of almost 350 square meters, which can be expanded by 150 square meters. Further features: air conditioning hot / cold, guest apartment, garage, outside parking space, laundry room and various storage rooms. Costa d'en Blanes is a quiet residential area just minutes from the exclusive marina of Puerto Portals....(Ask for More Details!)
