Villa with Garden, Pool and Terraces in La Nucia Set within a peaceful residential area of La Nucia, this beautifully designed villa offers approximately 290 m² of living space on a generous 920 m² plot. Its architecture has been carefully conceived to maximise space, privacy and the seamless connection between indoor and outdoor living, creating a home that perfectly embraces the Mediterranean lifestyle. The property is arranged over several levels, each thoughtfully designed to suit different aspects of everyday life. The main living areas open directly onto the garden and swimming pool through large floor-to-ceiling windows, allowing natural light to flood every room while creating a seamless transition between...(Ask for More Details!)
