Seascape Blue is a private residential community designed to provide homeowners with greater privacy, allowing them to fully enjoy the Mediterranean lifestyle. Designed to offer peace and tranquility in their homes, the residential complex features 70 penthouses with private terraces, offering 2 and 3 bedrooms, and 2 exclusive villas with private pools. Seascape Blue Resort boasts an exceptional, avant-garde design. Its contemporary architecture and style give prominence to the staggered terraces, which provide increased brightness and privacy to the homes, along with an outdoor space to enjoy the good weather. The ground floor homes come with a private garden, exclusive to their owners. From the homes in the residential complex,...(Ask for More Details!)
