This lightflooded penthouse is located in a quiet, international community with pool, gym and sauna. The apartment features wooden floors, integrated air conditioning, an open plan kitchen equipped with Siemens appliances, heated floors in the three bathrooms and the master bedroom. The rooftop terrace offers a dining and a lounge area and is equipped with bbq, open gas fireplace, guest toilet and exterior shower. The apartment is sold fully furnished. Extra features are the lift, that offers private access directly into the apartment and to the rooftop, a 24h alarm system and concierge service. Two parking spaces and a store room are included in the price.
