Historic Mallorcan property from the 19th century in the heart of Manacor. This impressive property offers approx. 600 m2 of built area spread over three floors. With three facades, the house is flooded with light. The property offers a large garage, 8 bedrooms, 3 bathrooms and several living and dining rooms as well as two kitchens. On the upper floor there is a large open space for renovation. The property also offers an inner courtyard with a cistern and a 140m2 roof terrace with fantastic views of the church. This house has endless potential. Unique structure and layout allow for various renovation options. Here you could create a private residence,...(Ask for More Details!)
