This impressive Mallorcan manor house from 1887 offers a unique opportunity to acquire a property with a distinctive character and shape it according to your own vision. Located in close proximity to the city center of Palma, the estate boasts breathtaking panoramic views of the city and the Bay of Palma, while offering complete privacy on a spacious 15,000 m<sup>2</sup> plot. The long driveway leads through a wrought-iron gate to the manor house, which has preserved its authentic charm. The generous outdoor area, with expansive terraces, invites you to enjoy social evenings under the open sky—perfect for soaking in the stunning views of Palma. With a total of eight bedrooms...(Ask for More Details!)
