Building-Permit Approved Plot with Panoramic Sea Views in Altea Hills – Luxury Villa Project Included An exceptional opportunity to acquire a prime building plot in Altea Hills, one of the Costa Blanca's most prestigious gated residential communities. This 969 m² urban plot is offered with a significant advantage rarely available on the market: the building licence has already been granted, the complete architectural project is included, and all required sectoral approvals have been obtained. The future owner can begin construction immediately, avoiding the typical 12-24 month permitting process and the uncertainty associated with obtaining planning approval. The approved architectural project comprises an elegant contemporary detached villa with a... (Ask for More Details)
