Country House in Escorca

8	1	736m²	700,000m²	N/A

Authentic country estate in the Tramuntana mountainsThis characterful possessió is idyllically situated in the heart of the Tramuntana mountains, close to the sanctuary of Lluc. The property has a constructed area of 736 m² and is a typical "Casal MallorquÃ-" from the 18th century. It is one of the few remaining properties on the island that has retained its authentic character from the past. The large plot of 808,397 m² with various outbuildings has beautiful paths through olive groves, giant oaks, tall pines and cherry trees. This property is waiting for a new owner to take the care to completely renovate it, realising the high potential these properties have...(Ask for More Details!)
