Villa in Bendinat

7	5	546m²	1,116m²	✔

Located in one of the most exclusive areas of Mallorca, this spacious property in Old Bendinat is ideal for residential use as well as for an attractive investment project as it presents two semi-detached villas with high quality finishes. It is worth mentioning its privileged location, within walking distance of the small cove of Portals and in a very quiet area. The plot, of 1. 116 m², has two independent accesses from different streets, which provides great versatility. With a total constructed area of 546 m², the property is divided into two completely independent dwellings, each equipped with first floor, upper floor and spacious terraces. The terraces and upper rooms...(Ask for More Details!)
