Luxury Renovation Project with Sea Views The real opportunity lies in the potential. With the right renovation, the existing interiors could be completely reimagined, the terraces redesigned to make the most of the panoramic views, and the pool area transformed into an exceptional outdoor entertaining space. A summer kitchen, landscaped gardens and contemporary interiors could turn this already impressive property into a spectacular private residence. The villa offers four bedrooms, with the existing gym providing the possibility of creating an additional bedroom or flexible living space. There are three bathrooms, approximately 480 m<sup>2</sup> of built area and an expansive 2,210 m<sup>2</sup> south-facing plot. Outside, the property features a swimming... (Ask for More Details)
