Sea View Plot with Building Licence Pending in Prestigious Altea Hills A rare opportunity to build a luxury villa in one of the Costa Blanca's most exclusive residential communities. This exceptional sea view plot is located within the prestigious gated urbanisation of Altea Hills, offering 24-hour security, privacy, and breathtaking Mediterranean views. The plot allows for a contemporary home with a total built area of up to 331 m² across two levels. The building licence is expected very soon, with all approvals agreed with the Altea Town Hall after a lengthy administrative process, allowing the new owner to begin construction without the usual delays. An existing architectural project...(Ask for More Details!)
