Land a Plots in Calpe / Calp

0	0	1m²	806m²	N/A

A prime building plot in one of Calpe's most sought-after residential areas: Colina del Sol, in Cosentari II, enjoying a privileged orientation toward the Mediterranean, Calpe's skyline, the iconic Peñón de Ifach, and the surrounding mountains. Planning detailsConsolidated urban land, with the PAI (Urban Action Plan) completed, zoned for a detached single-family home. Reference buildability of up to approximately 264 m² above ground, plus a garage of around 25 m² and the possibility of a basement. These figures must be confirmed through a technical project, applicable regulations, and municipal permit before any purchase decision. Utilities and accessThe plot has water, electricity, sewage, street lighting, pavement, and asphalt road access everything...(Ask for More Details!)
