Villa in Javea

6	4	780m²	960m²	✔

An Architectural Masterpiece Above the Mediterranean Set in one of JÃ¡vea's most exclusive clifftop locations, this extraordinary contemporary villa is a private architectural statement designed around one defining luxury: uninterrupted views of the Mediterranean Sea. Occupying a 960 m² plot with 666 m² of built space, the residence unfolds across four exceptional levels, connected by a private lift and a striking glass and microcement staircase. Curved architectural forms, natural stone walls and expansive floor-to-ceiling glazing create a seamless connection between the interiors, the landscape and the sea. With its principal living spaces facing south, the villa is filled with natural light throughout the day, while panoramic Mediterranean views...(Ask for More Details!)
