Large rustic plot of 21. 983 m<sup>2</sup> for sale, located in a privileged position in the picturesque municipality of Llubí-, in the heart of Mallorca. The property is elevated in a valley, which provides stunning unobstructed views of the charming village of Llubí- and the majestic Tramuntana mountain range. This plot offers the possibility to build a detached villa, ideal for those looking for an exclusive home in a quiet rural setting, without renouncing the proximity of essential services. In addition, the property has an old mill that can be preserved and used as additional buildable square metres, adding a unique and traditional touch to the project. The elevated location...(Ask for More Details!)
