Villa in Altea

4	4	420m²	861m²	✔

Contemporary Luxury Villa with Exceptional Sea Views A truly exceptional designer villa located in the prestigious Altea Hills, created by one of Poland's leading architects and characterised by its distinctive abstract architectural style. Clean lines, contemporary architecture, exceptional natural light and uninterrupted Mediterranean views define this remarkable residence. Situated just two minutes from the entrance of Altea Hills, the property offers privacy, security and tranquillity while remaining conveniently connected to the surrounding area. Despite its proximity to the AP-7, the villa has been carefully positioned and designed so that the motorway is not noticeable, allowing the spectacular views and peaceful surroundings to take centre stage.
