This estate enjoys an exceptional location, just 20 minutes from Palma and the airport, surrounded by nature and completely enclosed by stone walls in perfect condition. The property includes an approved project to build a 200 m² single-family home with 3 bedrooms, 2 bathrooms, a guest toilet, and a swimming pool, as well as the renovation of the existing structure: a small agricultural building. It also includes the restoration of the agricultural annexes, which can be used as an additional dwelling, a tool shed, or for agricultural purposes. The current construction, measuring 150 m², has been renovated using high-quality natural materials, blending modern design with traditional Mallorcan elements, such as...(Ask for More Details!)
