New modern villas - Santiago De La Ribera We now have available these stunning new Ribera Nature Villas which are currently under construction and are located in Santiago De La Ribera. The location is fantastic with the villas situated less than 1 km from the sea. The villas have 3 spacious double bedrooms and the choice of 2, 3 or 4 bathrooms. As you enter the villa on the ground floor there is an open plan modern kitchen, and large living and dining room with direct access out to the beautiful terraces and pool area. Still on the ground floor there is the first of the...(Ask for More Details!)
