Villa in Javea

5	4	590m²	1,885m²	✔

Luxury Villa Project in Montgó, JÃ¡vea Located in the sought-after Garroferal area of Montgó, JÃ¡vea, this luxury villa project offers the opportunity to build a beautiful contemporary home in a peaceful natural setting. The project comes with an approved building licence, allowing construction to move forward without the usual waiting time for planning approval. Set on an elevated 1,885 m² plot next to Montgó Natural Park, the villa will enjoy impressive 360-degree panoramic views of the Montgó mountain, the surrounding valleys and the Mediterranean landscape. Designed with modern Mediterranean living in mind, the property combines contemporary architecture, spacious interiors and plenty of natural light. The villa is planned...(Ask for More Details!)
