908m<sup>2</sup>

This stunning villa has 5 spacious bedrooms, each with its own bathroom, providing privacy and comfort for the whole family. The interiors are characterized by high-quality materials, underfloor heating and air conditioning, reflecting the meticulous attention paid to every detail. The outdoor areas are equally impressive, with a spacious main terrace ideal for family gatherings, a private terrace off the master bedroom and a roof terrace with panoramic mountain views. The villa also has a saltwater pool, a charming mini lake with fish, a sauna and a terrace with a barbequa area, ideal for spending unforgettable moments outdoors. The villa has a large garage and an additional parking space under...(Ask for More Details!)
