Nestled along the iconic El Borne Avenue, this exceptional 198-square-meter residence stands among the most spacious properties available for sale in the Balearic capital. The interior design, a masterful collaboration between two distinguished design studios, pays homage to El Borne's timeless elegance. Every detail has been meticulously curated, from the custom-crafted herringbone flooring, to the Perlato de Sicilia marble stone used in the bathrooms, and the ceiling medallions. The grand living and dining areas command stunning views of the Plaza del Rey Juan Carlos I and the neighbouring palaces, offering an elegant setting for both intimate gatherings and entertaining. The residence features 3 bedrooms, each appointed with private ensuite bathrooms....(Ask for More
