This recently modernized and extended villa is located in a quiet residential area, just about 500 meters from the marina promenade of Porto Petro. In addition to its desirable location, the villa was originally built around 1969 and underwent extensive modernization and expansion in 2021. With a designed living area of approximately 213 m², plus an additional 280 m² of terraces on a 785m² plot, the property offers generous living space. The villa faces southeast and features four bedrooms. On the ground floor, there is a spacious living room with a covered terrace, as well as an open dining area with an adjoining kitchen that provides convenient access to the...(Ask for More Details!)
