806m²

N/A

A Mediterranean retreat just a few steps from the sea. Located in the spectacular bay of Cala Llobards, this villa is a true sanctuary of peace and nature. Just a two-minute walk from the shore, it offers an incomparable living experience, surrounded by wild olive trees and native vegetation. Its privileged hillside location not only shelters it from the wind, but also provides absolute privacy. Design and comfort with Mediterranean character Completely renovated with attention to detail, this villa combines elegance and comfort. Its design of clean lines and natural materials blends perfectly with its surroundings. In addition, it has a vacation rental license for nine people, making it an excellent...(Ask for More Details!)
