This modern groundfloor apartment is located only a few steps away from the beach of Paguera in a small international community of only 24 units. Three bedrooms, 2 bathrooms (one of them in-suite) and a large, private terrace of 360m2 make this apartment ideal for families and for permanent residence. The community offers a pool and a large garden area to sunbathe or play. An underground garage space is included in the price, a second one is optional.
