350m²

5,943m²

Villa with Charm, Views, and Endless Potential We are pleased to present this exceptional villa located in a private and exclusive neighborhood, surrounded by beautiful properties that ensure complete privacy. From its privileged position, the villa offers breathtaking sea and mountain views, perfectly situated halfway between Alfaz del Pi and Altea. Set on a generous 5,943 m² landscaped plot, the grounds are adorned with mature trees, fruit trees, Mediterranean plants, stone-paved walking paths, and unique sculptures, creating the feel of a private nature gallery. The villa, originally built in 1980 and refurbished in 2023, spreads across three floors with a total built area of 350 m². The main entrance on...(Ask for More Details!)
