376m²

3,834m²

Charming Villa, Views and Infinite Potential We are pleased to present this exceptional villa located in a private and exclusive neighborhood, surrounded by beautiful properties that ensure total privacy. From its privileged position, the villa offers stunning sea and mountain views, perfectly situated halfway between Alfaz del Pi and Altea. Set on a generous 3,834 m² landscaped plot, the grounds are adorned with mature trees, fruit trees, Mediterranean plants, stone-paved pathways, and unique sculptures, creating the feeling of a private nature gallery. The villa, originally built in 1980 and renovated in 2023, spans three floors with a total built area of 376 m². The main entrance at street...(Ask for More Details!)
