Villa in Javea

3	2	114m²	2,613m²	N/A

Large plot and mountain views in a villa in JÃ¡vea&13 Some homes are bought for what they are. Others, for everything they could become. This villa in JÃ¡vea belongs to the latter. &13 It is located in the Adsubia area, on a single level with mountain views. An open setting, designed for living with the landscape in view. &13 The property, built in 1969, offers 114 m² with three bedrooms and two bathrooms. It features two kitchens and a fireplace that invites you to enjoy winter evenings by the fire. &13 The star of the show is the plot, measuring 2,613 m². With a generous garden, it is a blank...(Ask for More Details!)
