This fantastic finca plot is located between Es Llombards and Ses Salines in a quiet, easily accessible street. From your future home you will not only have views of the sea, Cabrera and the illuminated churches of Santanyi and Ses Salines, you will also enjoy panoramic views of the gently sloping nature reserve around the Cap de Ses Salines. The plot has a valid building licence, so you can start fulfilling your wishes tomorrow. A house in classic Mallorcan style with a natural stone facade is planned, which offers enough space for four spacious bedrooms. Changes to the interior are of course possible at any time. We will be happy...(Ask for More Details!)
