Set on approximately 15,000 m² of picturesque land, this exceptional off-grid property seamlessly blends timeless rustic charm with a refined, Nordic-inspired design. Renovated to the highest standards, the estate offers a serene and stylish retreat surrounded by nature. The main house features two beautifully appointed en-suite bedrooms. The master suite impresses with its spaciousness and abundance of light, and has an additional room which is currently used as a children's bedroom, but could easily be converted into an office or walk-in wardrobe. The living space is complemented by three additional independent guest units, each with their own private bathroom, which are ideal for hosting guests or providing privacy for grown...(Ask for More Details!)
