Only 3 minutes by car from Puerto Alcudia and in the middle of nature we present you the last project granted by the town hall on a magnificent rustic plot of 3.5 hectares completely wooded, conceived to make a Mediterranean garden of easy maintenance with terraces and nice distant views to the sea. This project has a very rational distribution on one floor and basement. It has 4 bedrooms en suite, a large kitchen dining room, living room with fireplace, spa area, garage for several vehicles and endless possibilities that you can adapt to your taste. Do not hesitate to contact us to present you in situ the ultimate...(Ask for More Details!)
