Villa in Polop

4

4

200m²

400m²

This exceptional property in Polop combines modern design, privacy, and luxury across multiple levels. **Main Floor:**The primary floor features two en-suite bedrooms, including a master suite with elevable window doors that open to a small Juliette balcony and terrace. The open-plan salon-comedor (living/dining room) and sala de estar (sitting room) connect seamlessly to the under pergola terrace and inviting swimming pool. **Basement:**The sótano (basement) includes two en-suite bedrooms with large windows for natural light. A flexible playroom/cinema room (formerly 'maquinas piscina') has been enlarged and now features a window and water connections. The basement also includes a laundry room and two storage/technical rooms (trasteros/técnicos). **Roof:**The expansive solarium. (Ask for More Details)
