588m²

1,080m²

This impressive luxury villa located in Puerto Pollensa is a true architectural gem that combines modern design, comfort, and unparalleled panoramic views. Situated on an elevated position, the property offers unobstructed and spectacular views of the majestic Tramuntana Mountains, allowing you to enjoy a privileged natural setting from the comfort of your home. Built in a contemporary style, the villa is spread over three floors with a total constructed area of 583 m², designed to maximize functionality and comfort. The modern architecture is reflected in its elegant lines, large windows, and high-quality finishes, creating a bright and welcoming atmosphere in every corner. Inside, you'll find five bedrooms, all en suite,...(Ask for More Details!)
