This property is ideal as an art gallery, design studio, co-working space, or law office. The premises have recently been renovated with a very modern and artistic design, offering a fantastic, spacious location. The entrance hall features impressive front windows that let in plenty of light. The constructed area of 260 m² includes various spaces, such as a lounge area, a chill-out area with sofas, a fireplace, a bar, a modern kitchen, and a dining room. There are three separate areas (one with an en-suite shower and bathroom), two storage spaces, and the property is wheelchair accessible. The property showcases a New York loft industrial style, complete with high ceilings...(Ask for More Details!)
