Located in the area of Son Dameto in Palma, this historic 16th-century mansion has a fascinating history and numerous possibilities to create a 5 star hotel, a private residence, an events venue, a cultural centre or a residency for the elderly.  This unique space with historical features, high ceilings, gothic arches, a central courtyard and many other features is just waiting for its beauty to be enhanced once again. The entire estate comprises 7,200 m2, with 1,500 m2 of buildable space, allowing for a flexible layout according to the desired project. The current owners have renovated several parts of the roof and some internal areas and the property has...(Ask for More Details!)
