We present this attractive 402 m² urban plot located in the heart of Son Bieló, one of the quietest and most authentic coastal areas in the south of Mallorca. Located just 200 meters from the seafront, this plot offers an excellent opportunity for those looking to build their home or invest in an expanding area. With only one neighboring property at present, you will enjoy great privacy and a peaceful environment. Currently, there is no project or building permits, which provides total flexibility to develop a customized project in accordance with current urban planning regulations.
