Penthouse in Palma de Mallorca

3	2	144m²	N/A	✔

This new development in Palma combines Nordic quality, design and construction technologies in unique Mallorca properties and offers living comfort and high functionality. The community has beautiful gardens and an excellent swimming pool and is due for completion in 2021. This 3 bedroom, 2 bathroom penthouse has a private roof terrace with pool, barbecue and delightful lounge. In addition, there are also 3 covered and open terraces as well as a refreshing pergola for the hot summer days. Further features include underfloor heating, air conditioning, indirect lighting, stone and wooden floors, as well as top quality finishes and fittings. The Mallorca property has also 2 underground parking spaces and a...(Ask for More Details!)
