This elegant villa is located on an elevated plot of approximately 2,000m² in a quiet and well-kept residential area, just a few minutes from the center of Inca. With a living space of around 600m² and an open floor plan, the property offers the highest level of living comfort - combined with an impressive panoramic view of the Mallorcan landscape. As soon as you enter the house, a breathtaking view opens up thanks to the generous glass fronts, which extends through almost all living areas and creates a unique feeling of space. The light-flooded entrance hall leads directly into the open-plan living and dining area with fireplace and into the...(Ask for More Details!)
