Country House in Puerto de Pollensa

3	4	393m²	62,310m²	✔

Set on an extensive 62,000 m² plot in the sought-after area of Puerto PollenÃ§a, this impressive 393 m² property combines the charm of Mallorcan architecture with modern comfort. Its natural stone faÃ§ade, the well-kept interior finishings and the recent comprehensive renovation, which includes underfloor heating, make it a unique gem in the north of Mallorca. Distributed over one floor, the main villa has 3 spacious bedrooms and 4 bathrooms, a modern open concept kitchen that integrates perfectly with the bright living-dining room. Large windows let in natural light and offer unobstructed views of the natural surroundings. The outdoor area is equally impressive: a large private swimming pool surrounded by native...(Ask for More Details!)
