New Build Properties Mil Palmeras. Just released we have the first of these New Build Properties available for sale located in Mil Palmeras just 700m from the stunning blue flag beaches. This beautiful residential complex gives all the properties here access to the spacious communal gardens and swimming pools. All the available houses are built over 2 levels with a private garden and roof top solarium. Inside they feature bright and spacious open plan main living areas, modern high quality kitchens and appliances. You then have the choice of either 2 or 3 spacious double bedrooms with fitted wardrobes and all the properties have 2 modern stylish bathrooms with the Master being an en suite. You also have access with all the homes to a stunning roof top solarium where you can enjoy the 300+ days of sunshine on offer here each year.
