Luxury Villas Campoamor. We now have available a small number of these beautiful Luxury Villas for sale located in Campoamor. Set within their own private and secure plots of between 500 and 700m². These two level villas enjoy an excellent position within walking distance to all the amenities and blue flag beaches. All the villas come complete with a open plan design to the main living space which contains the lounge, dining area and high quality kitchen complete with appliances. You can then extend this main living and entertaining area via the sliding glass doors out to the open and covered terraces, outdoor kitchen, gardens and swimming pool. This gives you an amazing flow and space in which to relax in the 300+ days of sunshine or entertain with family and friends. Back inside each villa comes with 3 spacious double bedrooms with one situated on the ground floor and the remaining 2 located on the first floor. All of these rooms co...
