STUNNING LOS ALCAZARES SEAFRONT VILLAS Currently under construction are these beautiful, Los Alcazares bespoke villas. Located close to the water's edge of the Mar Menor. Each villa is being built to the highest standards and will come with a long list of customizable features. You enter the villa via the secure gated entrance complete with video entry system, or via car and straight into the internal garage. Once within the grounds you cannot help but be amazed, by the lush gardens and planting, to the modern architecture of these homes. Once inside there is a fantastic open plan main living space, there are some great features in here like the double-sided fireplace, and automated lights, and blinds. The developers have made great use of the light on offer inside the villas with full height windows, and sliding glass doors giving you access out to the garden, terraces, seating areas and stunning private swimming pool area.
