New Build Homes Roda. We now have this new release of just 8 One Level new build homes for sale located in the village of Roda. Each home sits in a private plot and comes complete with a beautiful rooftop solarium complete with outdoor kitchen and private swimming pool. You have the choice with the villas to have either the 2 or 3 bedroom option. All the homes come with an open plan main living space for the lounge, kitchen complete with appliances and dining area, This main space can be extended out via the sliding glass doors to the private garden, terrace and pool giving you more space to relax or entertain in the 300+ days of sunshine each year. From here you have the external staircase leading to the huge rooftop solarium giving you an additional space to relax, eat, or entertain. Back inside all the bedrooms come complete with fitted wardrobes direct access outside, and there are 2 stylish modern bathrooms. The properties are s...
