**NEW PHASE OF LUXURY LAS COLINAS VILLAS** The New release of the Granado Villas here at Las Colinas Golf Resort. The community comprises of a total of 17 modern design villas for sale, developed in three phases. Phase 2 and 3 offer the option of both three and four bedroom villas. These are also available either with or without an optional basement conversion. Each of the villas will come complete with a private swimming pool, Large terraces, A solarium & mature gardens. All the villas are located on large plots of up to 1000m² and the developers here will include the white goods, air conditioning, underfloor heating in bathrooms and motorized blinds in bedrooms. Inside the Villas feature large open plan living spaces with floor to ceiling glass to maximize the light on offer here. The Granado community is located in a private area of the resort, surrounded by green spaces and views of the Mediterranean forest. See the 360 Virtual Tour below...
