**SIGNATURE LAS COLINAS VILLA** This property is a complete one of a kind villa being built by the resorts leading developer. The list of features and architecture of this property is simply breathtaking. The villa has a huge heated infinity pool, with a sunken seating area giving you the feeling of sitting in the pool, with amazing views out over the resort. Inside there is so much to take in from the double height open plan living space, stunning modern kitchen, home cinema, and the vast expanse of windows and sliding glass doors which enable you to extend the main living area to the pool outside. There is even an internal lift to take you to the incredible accommodation on the 1st floor. Here you find the incredible Master bedroom, complete with walk-in dressing area and ultra modern bathroom. There are 3 further equally impressive bedrooms and bathrooms here and a selection of terraces to enjoy on this level. Throughout the villa, there is ...
