We are pleased to be able to offer this beautiful detached Mar Menor Golf villa on the 5 star Mar Menor Golf Resort. The villa sits in a great location on this secure gated resort. And is close to the amenities. The villa comes complete with a large open plan living, dining, and kitchen area, with doors leading out to the covered rear terrace and garden area. There is plenty of space within the garden to add a private swimming pool should you wish to do so. From the garden there is also the external staircase leading to the roof top solarium. Back inside there are 2 large double bedrooms, both with fitted wardrobes, and 2 modern bathrooms. This villa represents fantastic value for money and is being sold fully furnished.
