Santa Rosalia Resort. Here we have the first release of new Santa Rosalia Resort Properties For Sale, with these beautiful modern villas. Santa Rosalia Resort is a new oasis style residential concept of living in which for people to own a home, located just a 5min drive to the beaches of the Mar Menor and main town of Los Alcazares. Santa Rosalia Resort is a 24hr gated and secure resort which will be home to something never seen in the region before with its own stunning 17,000m2 man made lagoon. The lagoon will come complete with its own beaches, watersports activities, beach club, and more. Within the resort there will be an additional clubhouse, childrens play areas, sports facilities and more to be added making this an amazing place to own a home. The first of the Santa Rosalia Resort properties offered for sale are these modern villas, available with a selection of different designs, interior options for finishes and plot sizes. ...
