Santa Rosalia Resort. We are excited to finally present the first information and properties available in this new luxury beach resort at Santa Rosalia Resort. Santa Rosalia Resort is a stunning new oasis for people to own a home, set in Torre Pacheco just a 5min drive to the beaches of the Mar Menor and main town of Los Alcazares. The Santa Rosalia Resort is a secure gated resort which will feature an amazing 17,000m2 man made lagoon complete with its own beaches, watersports and beach club, and more, throughout the resort there will be additional clubhouse, childrens play areas, and sports facilities added making this an amazing place to own a home. The first properties to be released here in Santa Rosalia Resort are these beautiful modern villas, with a selection of different options available for designs and plot sizes. Each home will sit in its own private plot and feature a modern design with an open plan main living and dining sp...
