NEW BESPOKE LAS COLINAS VILLAS We now have the chance for you to create a stunning new home here at Las Colinas Golf & Country Club Resort. There are a limited number of these exclusive plots available set in this desirable position in the resort. The villas can be designed and built in conjunction with one of Spain's leading developers. Each villa will sit in a large plot of over 1,000m² and have a build of over 200m². They will feature open plan living spaces, 3+ Bedrooms and 3+ Bathrooms, Private swimming pools, and the latest in home automation and technology. To register your interest or to come and explore the plots available please contact us for more information.
