EXCLUSIVE NEW MODERN SEAFRONT APARTMENTS IN LO PAGAN We are excited to bring to market this small exclusive development of just 8 front line sea view apartments for sale. Set right in the heart of Lo Pagan these stunning apartments have amazing views right across the town and out over the Mar Menor. Each apartment will feature a large and spacious open plan living and dining area, with doors leading out to the terraces and breathtaking views. Back inside there will be a modern kitchen with a selection of appliances. The living accommodation will comprise of a choice of 3 or 2 bedrooms with fitted wardrobes and 2 modern bathrooms. The developers will also offer an optional garage and storage room with the apartments for added space. This really is an amazing development in a highly sought after location and is the only current modern development of apartments in Lo Pagan.
