This is a brand new development of contemporary golf villas for sale in Sotogrande. These stunning new luxury golf villas are set within an extremely desirable family friendly environment protected by 24-hour security. Residents have exclusive access to a host of onsite amenities including swimming pools, a gym, paddle tennis courts and even a running track. Sotogrande is situated in Cadiz and it is one of the most sought-after private developments in Southern Spain, attracting golfers, celebrities, polo enthusiasts and European royalty. Sotogrande is famed for its excellent recreational facilities including 5 golf courses, of which Ryder Cup Tournament host Valderrama is arguably the most famous, polo, sailing, restaurants and shops. There is also the 5-star marina with 1,400 berths and two fantastic beach clubs within the local vicinity. Designed by renowned architect Rafael de La Hoz, these stunning villas have been designed to make a rea...
